# RV & MANUFACTURED HOME PARK DEVELOPMENT INFORMATION

## DEVELOPMENT PERMIT

A Floodplain Development Permit shall be required to ensure compliance with the Flood Damage Prevention Order. The development permit is required prior to making any changes to property in San Patricio County. This includes but not limited to: developing an RV or Manufactured Home Park, expanding an existing park, moving large amounts of dirt, installing/replacing a septic system or any major additions/renovations to existing structures.

## SUBMISSION OF APPLICATION

Submit online application and supporting documents to the Floodplain Manager. Once all items are received, the application will be reviewed and any outstanding documents will be requested. If application passes initial review you will be contacted via email or phone to schedule an appointment to obtain the provisional permit. You will be informed at this time of the amount of the permit fee.

## PLAN REVIEW

Plans should be submitted to the Floodplain Manager a minimum of two (2) weeks prior to application review. Work at site shall not begin until all reviews of plans, studies and application have been completed and approved.

Review of Plats & Plans shall be done by the County Engineer, Fire Marshal.

## PLAN REVIEW CONTINUED

Hydrologic and Hydrology Study will be reviewed by the County Drainage District in addition to the Floodplain Manager review.

## REQUIRED DOCUMENTS

- Completed Application
- Property Deed must include legal description of property.
- Complete Engineered commercial site development plan
- Total Project Value Affidavit
- **Elevation Certificate** to provide proof of 24" above HAG/BFE. The Certificate is required upon project completion to obtain Certificate of Compliance
- Hydrologic and Hydrology Study may be required.

## TYPES OF PAYMENT ACCEPTED:

- Check
- Money Order
- Cashier's Check

Make payable to San Patricio County.

*\*We are unable to accept credit /Debit card at this time.*

## ELECTRIC CONNECTION

Electrical Services need a final approval from the Floodplain Manager before power will be approved for connection. A \$50.00 fee will be assessed if your project does not require a permit.

- Electrical Account Owners Information:
- Site Address
- Development Permit # and issued date.

## PERMIT RENEWAL PROCESS

The floodplain development permit is valid for one (1) year from the date of issue. The applicant **must** contact the Floodplain Manager prior to expiration for a renewal. A one (1) year renewal is 75% of original permit fee and a six (6) month renewal is 50% of original permit fee.

ALL PERMIT FEES WILL DOUBLE FOR ANY PROJECT (INCLUDING MOVING DIRT) THAT HAS BEEN STARTED BEFORE OBTAINING A DEVELOPMENT PERMIT (INCLUDING MINIMUM AND MAXIMUM FEES).

## ROAD REPAIR ORDER

Effective August 19, 2019, San Patricio County, Texas requires a cash bond or surety bond be provided by operators whose use of County roads for the purpose of performing development activities damages a roadway.
