

A Plan and Group Dental Plan from
Centivo

2025 San Patricio County Employee Benefits Overview

A Plan highlights

With the A Plan, you have a concierge service that can help you find quality healthcare providers and keep your costs as low as possible.

When you work with CACOST and Asserta Health to coordinate your care, you'll have almost no out-of-pocket costs for your healthcare after your payroll deductions.

You'll get:

- No deductible
- FREE care including primary care, specialty care, imaging and bloodwork, surgeries, hospital stays and more
- Pre-set copays for urgent and emergency care
- The option to coordinate or not coordinate your care (you'll pay more for uncoordinated care)
- Pharmacy benefits from MaxorPlus
- An easy-to-use member app where you can access your digital ID card, view your care history and more.

How to get coordinated care for the lowest out-of-pocket costs

- 1** Use the Centivo member app to select CACOST as your primary care provider. We call this step activation.
- 2** See CACOST first for all your healthcare needs. Get referrals for specialty care.
- 3** Work with Asserta Health to find quality providers that will accept cash payment directly from your plan.

Group Dental Plan

This optional plan can help with your dental expenses. There are no contracted providers for the Group Dental Plan, so you're able to visit any dentist of your choosing. If the dentist's charges are above what is considered Usual & Customary, you will be billed for the balance of the cost of any care you receive.
